

## Cancellations & Refunds

Cancellations due to weather are at the discretion of the St. Joseph County Park staff. The only time a program will be cancelled by park staff is if the park is closed due to extreme weather or for situations beyond our control. We make every effort to adjust program content for current weather conditions.

If the weather is less than favorable, i.e. heavy rain the day of your program, we will try to re-schedule your group for another date. If it is not possible to reschedule, we will provide the interpretive program and a partial refund will be issued for the hayride.

If your group cancels following payment and up to two weeks prior to your F.U.N. Hayride, we will issue a voucher toward a future F.U.N. Hayride. Your voucher will expire one year from the date of issuance. For cancellations made within two weeks of the hayride date, no refunds or vouchers will be issued.

*\*Groups may substitute a visit to the Nature Center instead of the Prairie Maze if the weather is less than favorable.*

## A Few Rules to Remember...

- No food or beverages are allowed on the hay wagons.
- No smoking is allowed in the park.
- No more than 20 people per wagon load.
- Riders must be seated in the wagon while the tractor is in motion.
- Throwing straw is not allowed.
- Loading and unloading is at designated stops.

Please help us enforce these rules for the safety of your group.
