Pretrial Diversion Program Instructions

Signing your Pretrial Diversion Agreement is not a guarantee that you have been accepted into the Pretrial Diversion Program. Prior to your next scheduled court date, a profile history will be run. If you are not eligible, you will receive a rejection letter. Otherwise, your agreement will be filed on your court date.

This charge is considered to be a Criminal Misdemeanor, which means that you will be in this program for one (1) year from your scheduled court date.

There is a user's fee of \$170.00 and court costs of \$145.00 for a total cost of \$315.00. This cost is due one week after your court date. Mail a money order or a cashier's check in the amount of \$315.00, made payable to the St. Joseph County Clerk to:

St. Joseph County Court House
112 S. Lafayette Blvd, 2nd Floor
Window #208
South Bend, IN 46601

Forty (40) hours of community service is to be completed within two (2) months after your court date. You will be given a date to attend a mandatory orientation. You will be assigned community service hours at this orientation.

In special cases, counseling will be mandatory.

Failure to follow the terms of your agreement will result in the revocation of this agreement and the charges being refilled against you.
